"PERFORMANCE BY DESIGN, CREATE YOUR OWN SUCCES"

Field Sportswear is een *Belgisch sportswear* concept, ontstaan om samen met jouw club een unieke sporttenue te ontwerpen.

Vertrekkende van een wit blad, die je *zelf kan invullen* naargelang je kleuren, design, geschiedenis van je team, club en/of vereniging.

Bij Field Sportswear maken wij gebruik van de sublimatietechniek. Sublimatie is een druktechniek waarbij inkt wordt omgezet in gas en daarna op polyester gedrukt wordt.

Op deze manier kan je op maat gemaakte sportkledij laten maken met *unieke designs en kleuren* die volledig aansluiten aan jouw wensen. Bovendien is sublimatiekleding *licht van gewicht* en kan het vocht snel afvoeren, wat het perfect maakt voor inspanningen.

Net daarom is FIELD de nummer één, *gespecialiseerd* in op maat gemaakte designs en fabricatie van *unieke sportkledij* zoals volledige voetbal tenues.

Ontwerp samen met onze experts de sportcollectie van je dromen!

WE CARE ABOUT THE PLANET

Sublimatie is een ecologisch ontwerpproces. Het heeft weinig tot géén water nodig. Met deze techniek blijven de kleuren helder en levendig en kan je fantastische ontwerpen maken.

Ten eerste resulteert de druktechniek in minimaal afval omdat er geen kleurstof in het watersysteem terechtkomt - iets wat bij veel andere verfprocessen wel kan gebeuren.

Ook kan dezelfde sublimatieprint meerdere keren worden gebruikt om meer dan één kledingstuk te bedrukken. Dit is een proces dat "exhaust printing" wordt genoemd.

ONS PROCES

1. DESIGN

Contacteer ons met jouw idee. Nog niet direct een eigen idee? Zit vrijblijvend samen met onze **in house designers** om de tenue te ontwerpen die volledig bij uw club past.

We gaan aan de slag met de info die je ons geeft. Zo ontwerpen wij een tenue die volledig aansluit bij de clubidentiteit.

2. DIGITALE PROEF

Je ontvangt van ons een **digitale proef**. Dit is een visuele tekening met de juiste:

- Kleuren
- Eventuele sponsors

3. PASSEN

Om optimaal te kunnen presteren is het belangrijk om de juiste maten te passen. Wij bieden daarom **verschillende pasreeksen** aan.

4. BESTELLEN

Ontwerp, kleuren en design **goedgekeurd**? De juiste maten gepast? Geef alle juiste gegevens door en wij gaan direct aan de slag.

5. PRODUCTIE

Na het goedkeuren van de digitale proef wordt de productie ingepland. Jullie krijgen van ons een orderbevestiging. Afhankelijk van de periode is de levertermijn **6 tot 8 weken na het doorgeven van de order**.

6. LEVERING

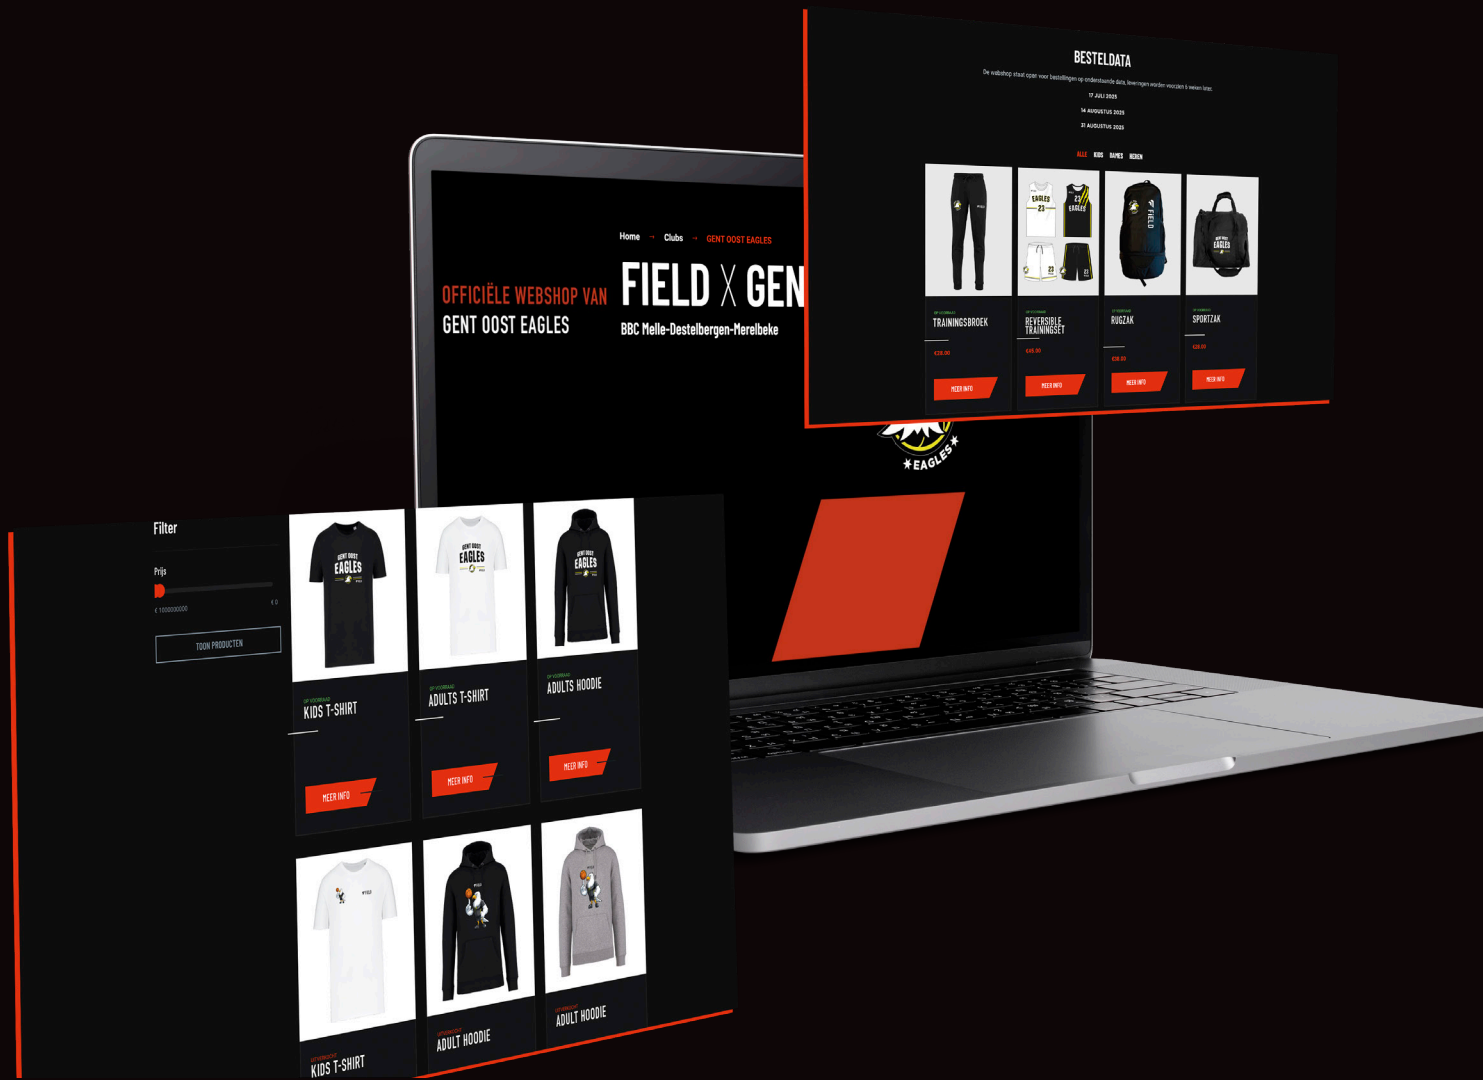

Na productie doen wij een grondige **kwaliteitscontrole**. Nadien leveren wij de goederen uit.

CLUB WEBSHOPS

Bij FIELD Sportswear geven wij clubs de mogelijkheid om een webshop op te starten. Per club worden de verschillende artikelen aangeboden en kunnen de clubs gewenste artikelen bestellen op verschillende besteldata.

In overleg met de club zullen er verschillende besteldata zijn waarop de leden kunnen bestellen. Zo kunnen wij de levertermijnen respecteren.
